Dedication

This year's TEMPIETTO is dedicated to three men who have unselfishly given of themselves to make this school of law one of the most forward looking schools in the United States.

SMU

SOUTHERN METHODIST UNIVERSITY

SCHOOL OF LAW
OFFICE OF THE DEAN
DALLAS, TEXAS 75222

There is no group with whom you will associate more regularly than your classmates in law school. You practice law with them, argue cases with and against them, negotiate agreements with one another, run political campaigns for one another, sit on the bench and judge cases in which classmates represent the parties. In short, you work with each other as colleagues in the profession all the days of your life.

Hopefully, this book will be a reminder of how it all got started.

Best wishes to everyone.

Candids

Would you like to see some of my etchings?

You've never been out with a law student before? My word what luck!

I really can't wait to talk to a bunch of know it alls.

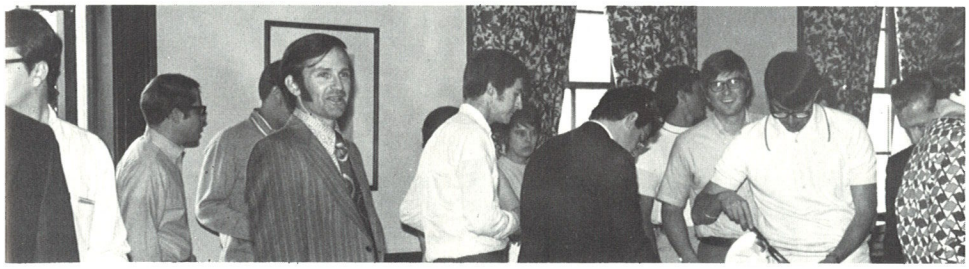
He thinks he saw a fish look up through the drain!

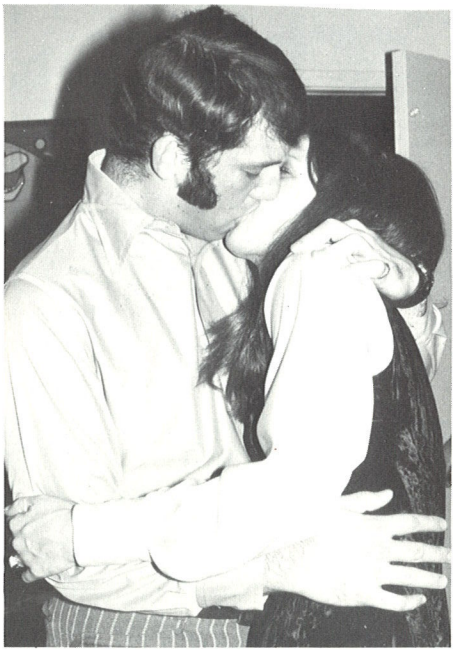
Law students are suave and chic.

Ha! Yep kid, you made a 22 on your final.

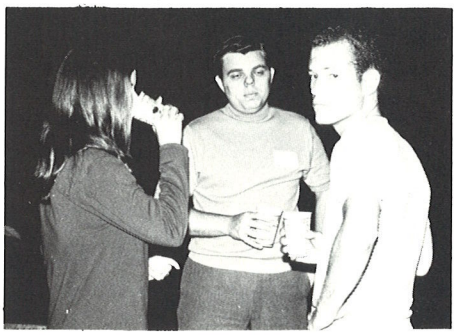
For the small consideration of ten dollars you can be the proud owner of one twenty-fifth of a parking space.

If that guy with the camera doesn't leave I'm going to deck him.





Law students are friendly.

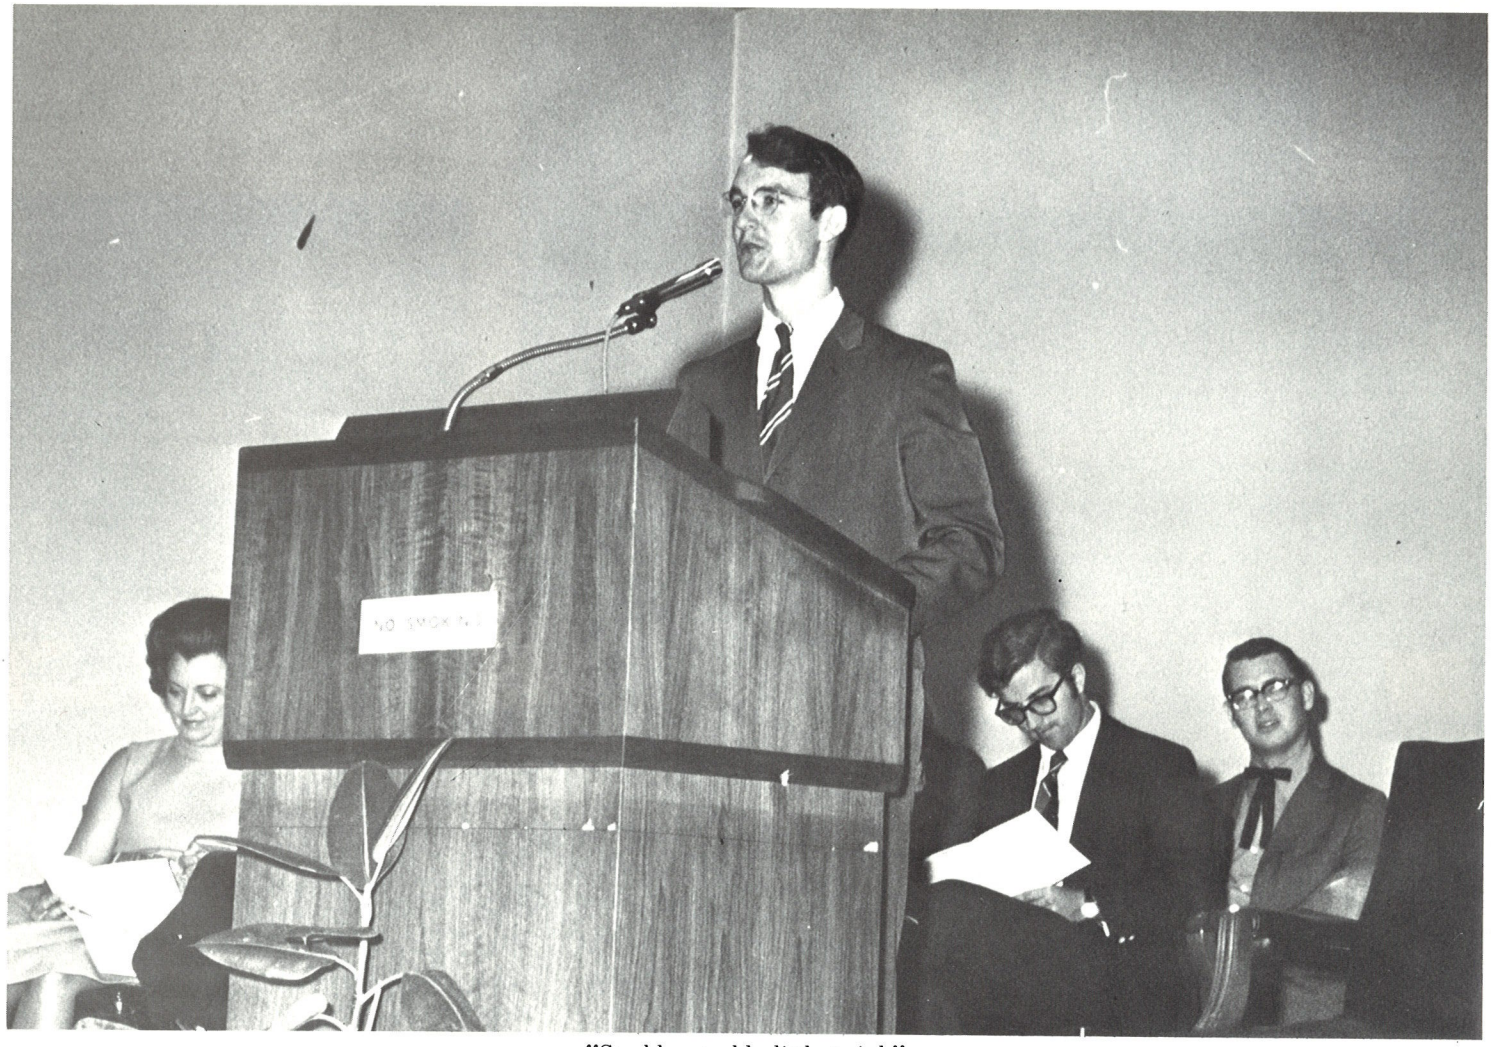


I told you you were surrounded, give up.

Look, if you're going to be sick, turn the other way.

Heck, now there's only a case left for me.

Peace? No. Two more beers.

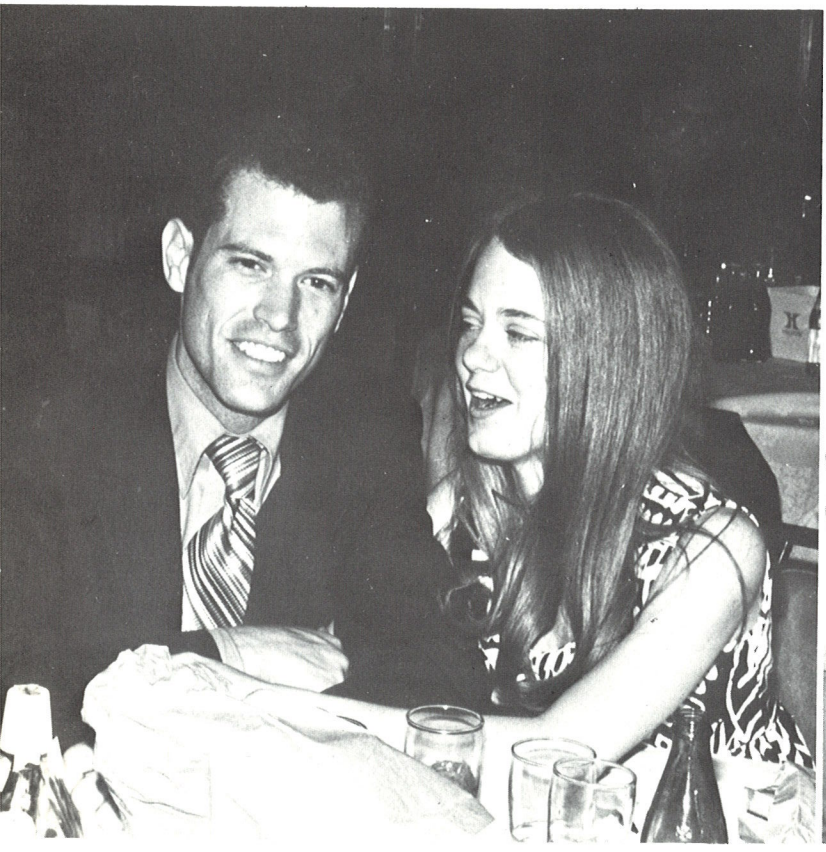


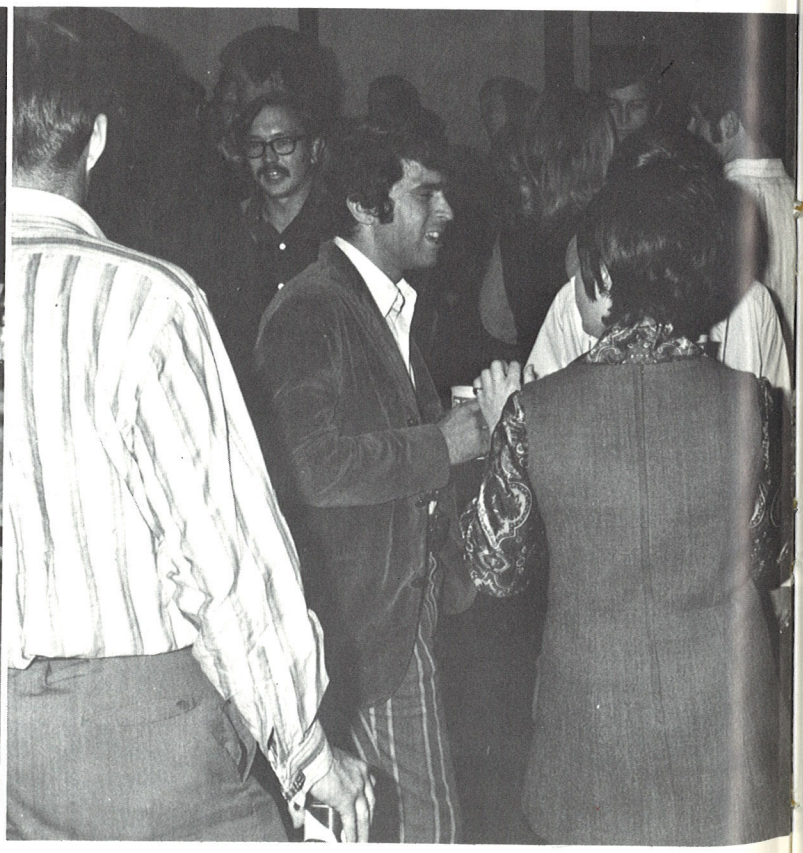
"Starkle, starkle little twink"

"You'll never guess what's in this bucket."

"Love Field? This is Ray Ray requesting permission to land."

"This use to be a *Howard Johnson's* awning."

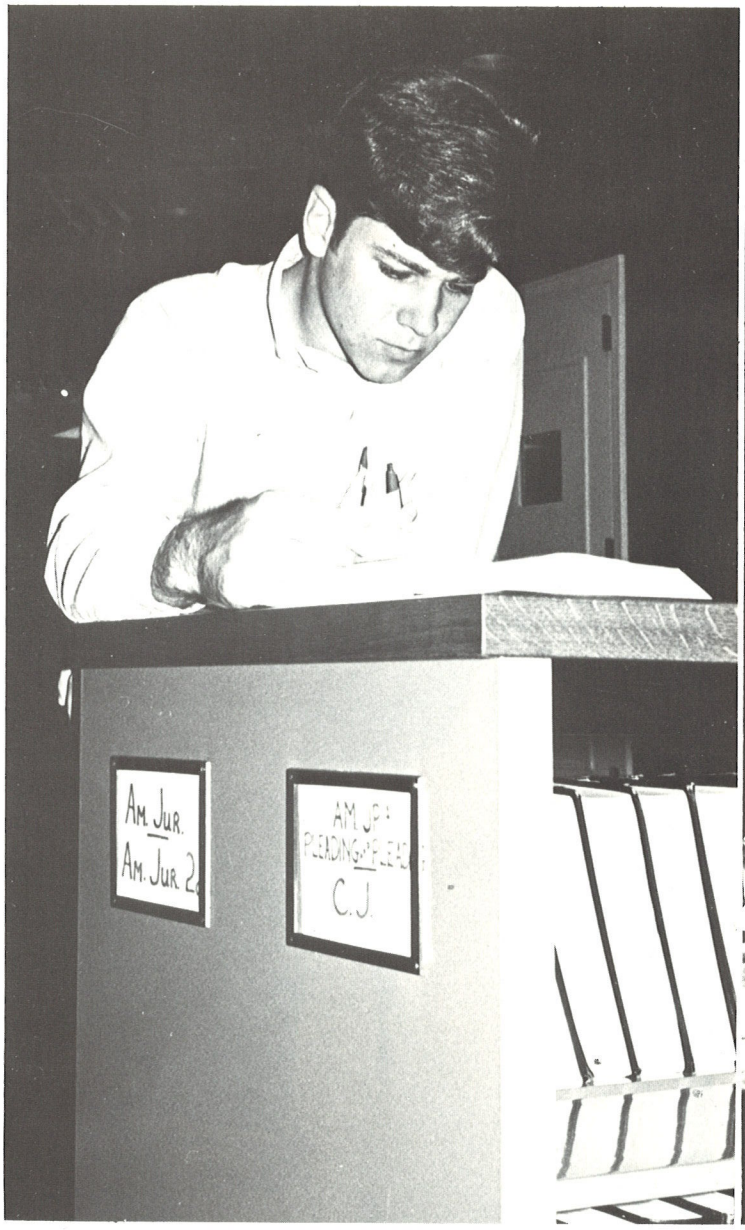


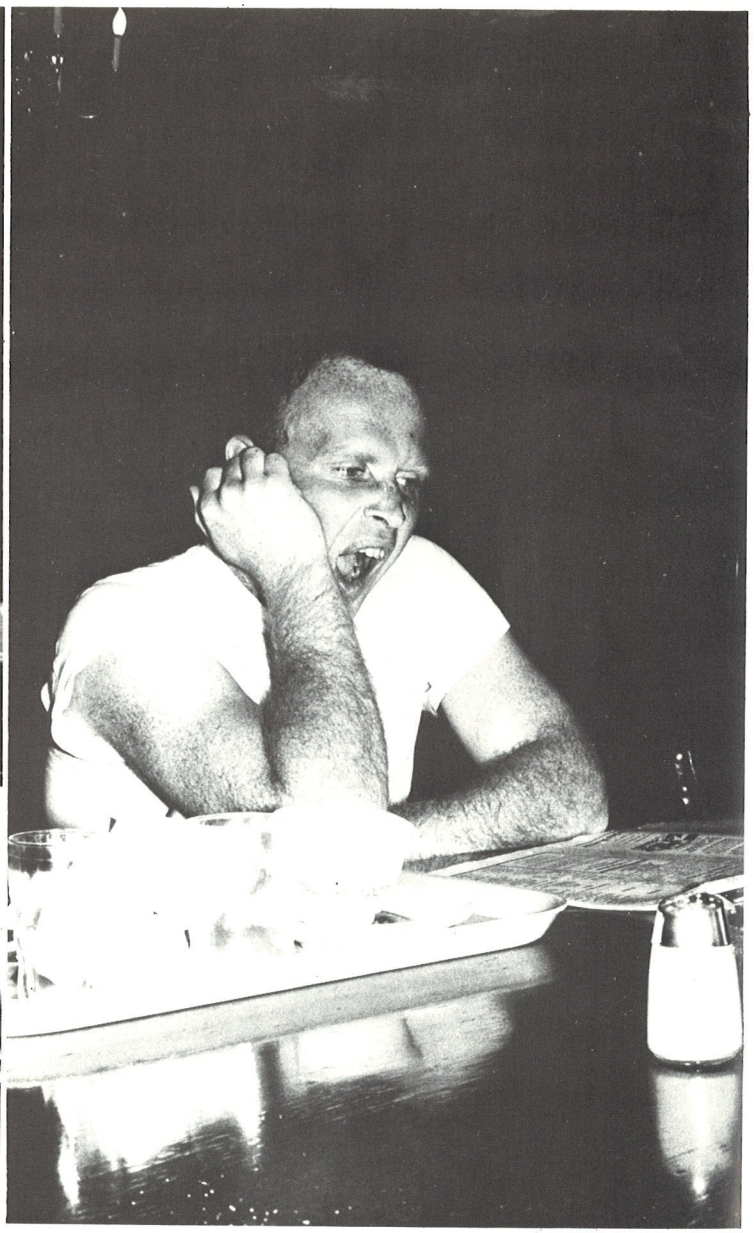


PRINT SHOP

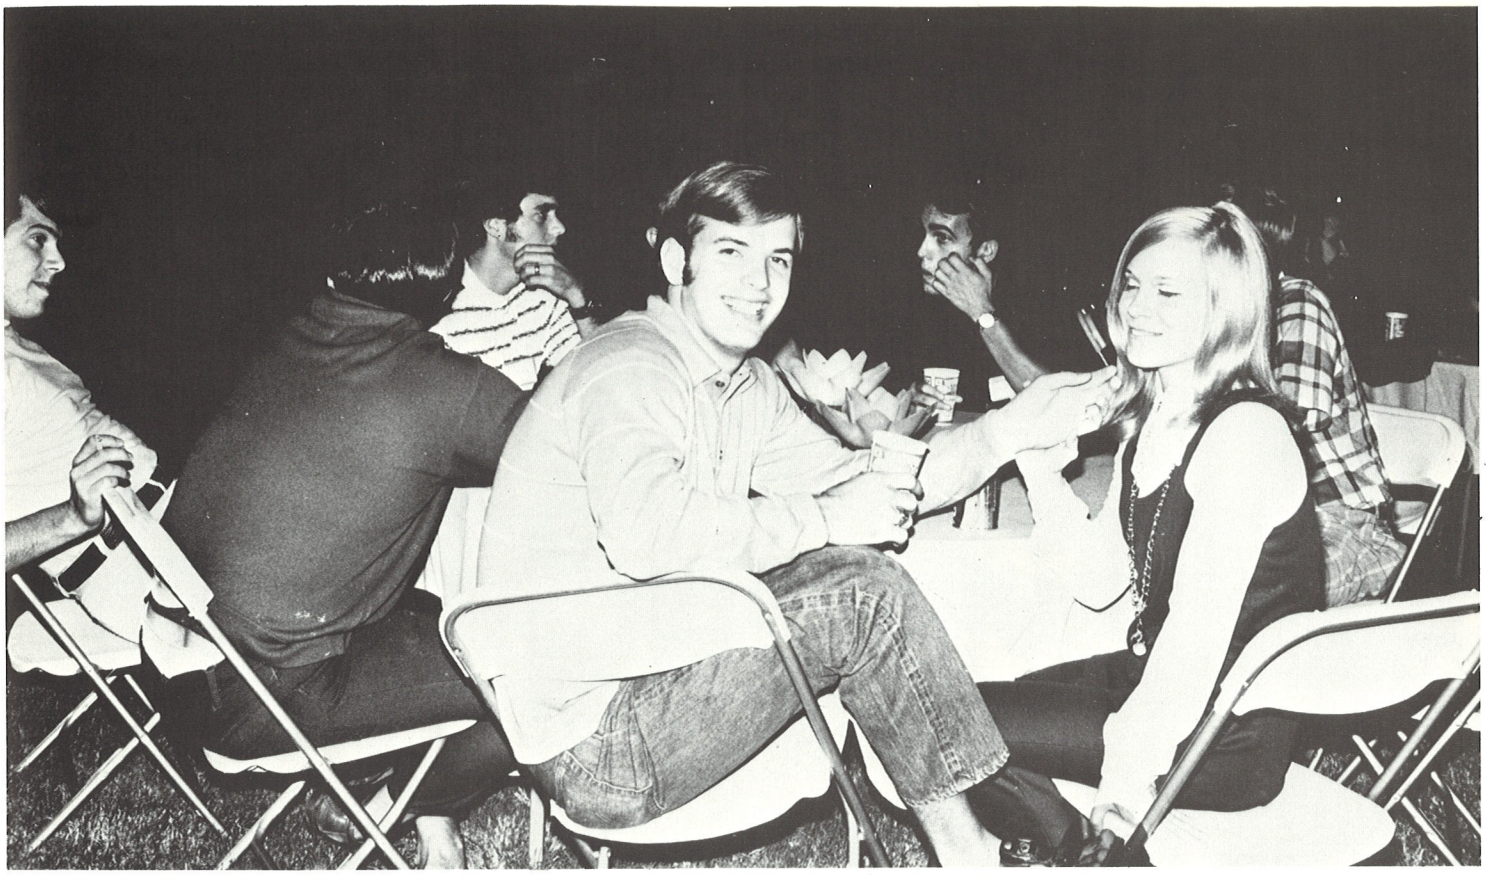
Hey Ed, I know the Treasury is low but pick-pocketing is a crime.

PLEASE OPEN CASES
FOR INSPECTION



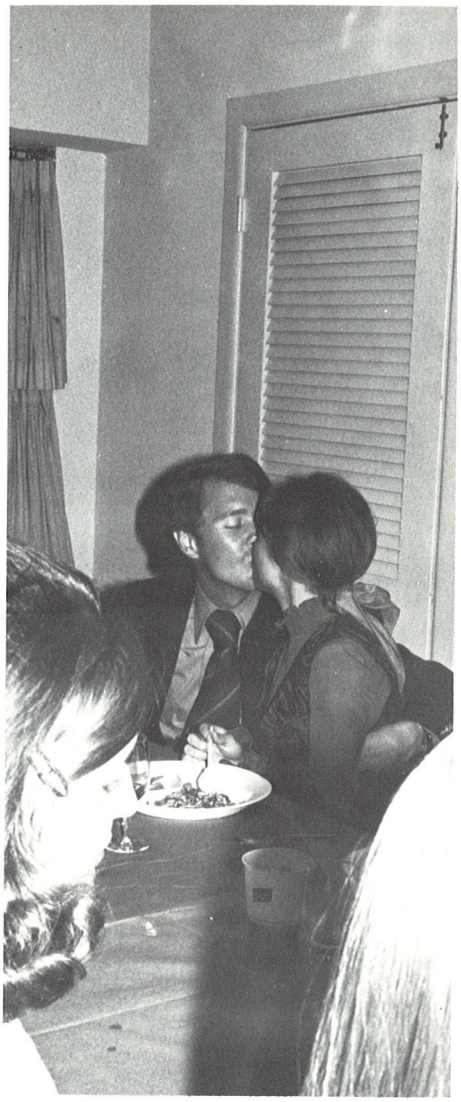


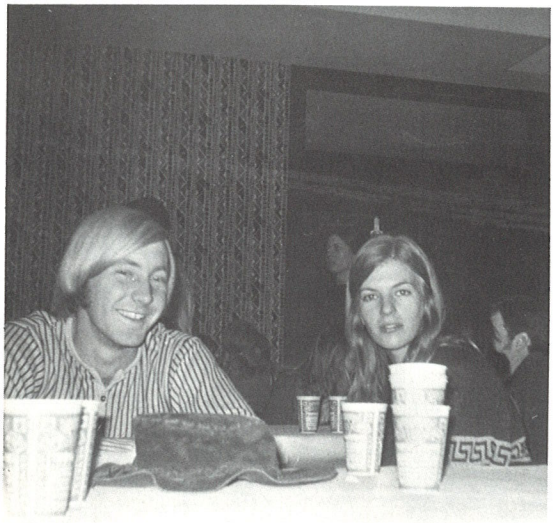
The Mouth That Roared



Hey, she's wearing real hair tonight.

My date just fell flat on his face.





For crying out loud, kid; stop asking so many questions!
