- International Atomic Energy Agency ..... 665
- U.N. Educational, Scientific and Cultural Organization ..... 676
- World Health Organization ..... 686

- Books Received** ..... 697

### Corrigendum

The Editor wishes to apologize to Alan Holmer of the Section's International Trade Committee and the Committee's Co-Chair, Mark R. Sandstrom for the inadvertent exclusion of their names as co-authors of the superb "International Trade" article prepared by various members of the International Trade Committee for our Summer 1996, Volume 30, Number 2 issue.

The official cite for the aforementioned article should read as follows: J.H. Bello, C.E. Read, J.A. Nuzum, G.H. Loeb, A. Holmer and M.R. Sandstrom, *Int'l Trade Highlights in 1995*, 30 INT'L LAW. 391-423 (1996).

*The International Lawyer* greatly appreciates the efforts made by the above members of the International Trade Committee and the efforts of the other contributing Section members in helping us to inaugurate successfully our "Annual Review of Significant Developments: 1995" issue. We look forward to increased participation of our Section members and Section Committee in the Summer 1997 Annual Review and more generally in other issues of our leading quarterly international law journal.
