Bibliography*

The following listing brings up-to-date the English-language materials cited in Winship, A Bibliography of Commentaries on the United Nations International Sales Convention, 21 Int’l Law. 585 (1987). No attempt is made here to update the list of foreign-language commentaries. See, however, the comprehensive bibliographies listed under “Non-English Publications.” The listing below is current as of February 1, 1988.

CONVENTION TEXT

Unofficial translations of the convention into German and Italian are also published in the C. Bianca & M. Bonell volume cited supra. The German translation is the uniform text agreed upon by the German-speaking countries.

The English text is published in the Appendix to Title 15 of the United States Code Annotated (Supp. 1987), together with the Message Accompanying Transmittal from President Reagan to the Senate (Treaty Doc. No. 98–9) (1983).
