The Journal prints matter it considers worthy. However, publication does not necessarily imply agreements by the editors or the publisher with the opinions expressed in the articles.
The Board of Editors is pleased to announce the completion and distribution of the Journal’s Cumulative Index, Vols. I-XXXV.

As you may recall, work on the 35-year index has been in progress for a number of years; it has involved the efforts of several boards and many man-hours.

Although the Journal missed its projected distribution date, the cost per copy was significantly cut from the original estimated cost due to the Board of Editors’ constant awareness of expenses during compilation and publication. This reduced cost has allowed the Journal to offer this useful addition to your library at our cost of $5.00. This will also enhance the availability of the Index.

Inquiries about the Index should be addressed to Richard E. Green, Business Manager, Journal of Air Law and Commerce, Southern Methodist University School of Law, Dallas, Texas 75222.
