This Bibliography is brought to you for free and open access by the Law Journals at SMU Scholar. It has been accepted for inclusion in International Lawyer by an authorized administrator of SMU Scholar. For more information, please visit <http://digitalrepository.smu.edu>.

## EDITOR'S NOTES

### **A Bibliography of Commentaries on the United Nations International Sales Convention: An Update**

The following listing brings up-to-date the English-language materials cited in Winship, *A Bibliography of Commentaries on the United Nations International Sales Convention*, 21 INT'L LAW. 585 (1987) as updated in 22 INT'L LAW. 605 (1988). The bibliography is current as of July 15, 1989.

#### **CONVENTION TEXT**

The texts of the six official language versions of the convention are reproduced unofficially in J. HONNOLD, *DOCUMENTARY HISTORY OF THE UNIFORM LAW FOR INTERNATIONAL SALES* (Deventer: Kluwer, 1989).

#### **BACKGROUND DOCUMENTS**

Documents relating to the pre-1980 work within UNCITRAL and its Working Group on the International Sale of Goods appear in the UNCITRAL yearbooks published by the United Nations. *See, e.g.*, the summary of deliberations of the Commission on the Draft Convention on the Formation of Contracts for the International Sale of Goods, which appears as an annex to UNCITRAL's report on its eleventh session (A/33/17, Annex I) and is reprinted in [1978] IX Y.B. UNCITRAL 31-45 (1981) (Sales No. E.80.V.8). Noting that these yearbooks are not all in print and are often difficult to locate, Professor John Honnold has
