SPECIAL INVITATION FROM BNA . . .

## THE UNITED STATES LAW WEEK

— yours to use for three months  
at *half* the regular rate!

We're making this special offer to introduce you to **LAW WEEK** — the comprehensive, authoritative information service that lawyers nationwide rely on to keep them up to date.

You know that thousands of decisions and rulings pour from the courts and federal agencies every year. **LAW WEEK** guards you against missing a single development of legal importance . . . yet *saves you time by reducing your reading load!*

■ To do this, **LAW WEEK**'s staff of lawyer-editors research hundreds of opinions and rulings every week to find the precedent-setting few that make new law. These significant cases are digested for you under quick reference topic headings in the appropriate sections designated: 1.) New Court Decisions; 2.) Federal Agency Rulings; 3.) Supreme Court Opinions.

■ To save even more of your time, the more significant opinions and rulings appearing in all sections of **LAW WEEK** are highlighted in a special Summary

and Analysis section — a five-minute, terse evaluation of the effect of these developments on current law.

■ A key feature of **LAW WEEK** is its high-speed reporting of U.S. Supreme Court opinions — in *full text* — accompanied by crisp and accurate summary digests. Mailed the same day they are handed down, these exact photographic reproductions of the Court's opinions eliminate the possibility of printing errors.

■ **LAW WEEK** also gives you full texts of all federal statutes of general interest, immediately after the President signs them.

■ And for easy reference, **LAW WEEK** is fully indexed — by topic and by case title — both for general law and Supreme Court actions.
