Let's Look at the Record!

—•—

Shepard's Citations has been an
Indispensable Service for 98 Years

—•—

There is something compelling in such a record of stability.

Whether you consider the long years that Shepard's has been serving the American Bench and Bar or simply the last few...the remarkably accurate, efficient and comprehensive service which Shepard's gives to each subscriber has been recognized in every city and town in the United States.

The primary aim of Shepard's Citations has ever been to provide lawyers with maximum protection in the least possible space and at the lowest possible cost. This sound objective has been attained by exercising the greatest care in compiling and tracing the history and interpretation of every case and statute, both state and federal, by incessant and intelligent attention to detail and by conservative and economical management.
