# Pardon Our Pride

---

During the year 1970, we printed more than 291,602,125 Shepard pages and added more than 1,499,405 entirely new citations to our seventy-three separate editions.

In terms of sheer volume alone, we think that is an impressive accomplishment.

Yet we deem it of far greater import that while attaining that volume, we still kept inviolate the high standard of accuracy which for ninety-eight years has been a Shepard attribute.

From such performance stems the faith in our publications held by tens of thousands of lawyers so many of whom have told us time and again that Shepard's Citations is an indispensable part of sound legal research.
