## INTER ALIA

This issue marks the beginning of a new year for *Journal* personnel. Since neither the transgressions nor the plaudits of the years past are ours to accept or reject, we eagerly welcome your most critical suggestions about methods of improving our publication. More specifically, we especially urge that you write us concerning topics or areas in the law which you think should be analyzed in future Articles, Comments, or Notes. We also encourage the submission to us of Articles and Comments which you consider to be currently pertinent and worthy of publication. In short, we solicit your active participation in *Journal* affairs.
