TRIBUTE TO PROFESSOR ROY ANDERSON

Timothy Davis*
scholarship relating to Uniform Commercial Code (UCC) Article 2 remedies is an exquisite melding of the theoretical and practical. He clearly articulates the premises on which Article 2 remedies are predicated. Roy also cogently discusses the interpretative issues emerging from UCC remedy provisions. His scholarship reflects who he is. It is clear, direct, and laced with appropriate humor. His multivolume treatise on UCC Article 2 remedies\(^1\) embodies the best exposition on this topic and has earned him a national reputation as the preeminent authority on Article 2 remedies.

On a personal level, my wife and I appreciate the way that Roy and his family extended themselves to us during our time in Dallas. Although much time has passed, we still speak of the dinners at the Andersons’ home, which were accompanied by good food and the wonderfully witty and instructive stories that Roy would tell.

I am grateful to call Roy my friend, mentor, and colleague. I have no doubt that the SMU and Dallas legal communities will miss Roy on his retirement.
