## Table of Contents

### CHAPTER 1. INTRODUCTION

§ 1.01 Traditional Domain of Financial Accounting—Tax Overlap ........................................... 1
  [1] Traditional Posture of Entities and Tax Administrations ................................................. 1
     [a] Entities: Effective Tax Rate Minimization .......................................................... 2
     [b] Tax Administrations: Tax Base Defense ................................................................... 2
  [3] Accounting for Tax Positions ..................................................................................... 4

§ 1.02 Legislative, Regulatory and Financial Accounting Developments ................................. 5
  [1] Response to Corporate Scandals and Tax Shelters ....................................................... 5

§ 1.03 U.S. and Global Tax Evolutions .................................................................................... 7
  [1] U.S. Considerations ...................................................................................................... 7
  [2] The OECD, UN, EU, and Specific Country Considerations ........................................... 8
  [3] Comment .................................................................................................................... 9

§ 1.04 Illustration ................................................................................................................... 9
§ 1.05 Earnings Management .............................................................................................. 11
§ 1.06 Overview of Publication ........................................................................................... 15

### CHAPTER 2. ACCOUNTING FOR INCOME TAXES

§ 2.01 Purpose ..................................................................................................................... 17
§ 2.02 Tax Differences—Permanent and Temporary ............................................................ 18
  [1] Permanent Differences ............................................................................................ 18
  [2] Temporary Differences ........................................................................................... 21

§ 2.03 Various Methods in Accounting for Income Taxes ..................................................... 23
  [1] Nonrecognition of Deferred Taxes ............................................................................ 23
     [a] Net of Tax Method ............................................................................................... 25
     [b] Asset and Liability Method ................................................................................ 25

§ 2.04 Overview of Accounting for Income Taxes .................................................................. 25
§ 2.05 Basic Principles of Accounting for Income Taxes ....................................................... 29
§ 2.06 Exceptions to Accounting for Income Taxes ............................................................. 29
§ 2.07 Temporary Differences ............................................................................................. 31
  [1] In General ............................................................................................................... 31
  [2] Different Types of Temporary Differences ................................................................. 32
  [3] Examples of Temporary Differences ......................................................................... 38

§ 2.08 Deferred Tax Liabilities and Deferred Tax Assets ....................................................... 39
  [1] In General ............................................................................................................... 39
  [2] Applicable Tax Rate ................................................................................................. 40
     [a] Basic Principles ................................................................................................. 45
§ 3.03 Examples of Deferred Tax Assets and Deferred Tax Liabilities

§ 2.09 Valuation Allowance
[1] In General
[2] Sources of Income
[4] Change in Valuation Allowance

§ 2.10 Special Deductions

§ 2.11 Alternative Minimum Tax

§ 2.12 Tax Credits

§ 2.13 NOL and Tax Credit Carryforwards and Carrybacks
[1] Recognition of Tax Benefit for Carrybacks
[2] Recognition of Tax Benefit for Carryforwards

§ 2.14 Regulated Enterprises

§ 2.15 Asset Purchases
[1] Business Combinations

§ 2.16 Investment in Corporations and Flow-Through Entities

§ 2.17 Intraperiod Tax Allocation

§ 2.18 Quasi-Reorganizations

§ 2.19 Separate Financial Statements of a Subsidiary

§ 2.20 Financial Statement Presentation

§ 2.21 Financial Statement Disclosure

§ 2.22 Developments in Accounting for Income Taxes
[1] Corporate Alternative Minimum Tax
[2] Excise Tax on Stock Buybacks
[4] Corporate Alternative Minimum Tax Credits
[5] Base Erosion and Anti-Abuse Tax (BEAT)
[7] Business Interest Expense Limitation

§ 2.23 Planning in Accounting for Income Taxes

CHAPTER 3. UNCERTAIN TAX POSITIONS

§ 3.01 Overview of FASB ASC 740–10

§ 3.02 Background and Rationale for FASB ASC 740–10
[1] FIN 48 Exposure Draft
[2] Original Rationale for FASB’s UTP Rules

§ 3.03 Application of FASB ASC 740–10
[1] Entities and Tax Positions Subject to FASB ASC 740–10
[a] Tax Position
[b] Pass-Through and Tax-Exempt Entities
[c] Consolidated Entities
[d] Implementation Guidance on Certain Nonpublic Entities
[2] Exclusion for Highly Certain or Immaterial Tax Positions

§ 3.04 Definitional Interpretations of FASB ASC 740–10—Recognition and Measurement of Tax Benefits
[1] In General
