The *SMU Science and Technology Law Review* is published three times per year (Fall, Spring, and Summer) and is an official publication of the Southern Methodist University Dedman School of Law. The primary goal of the STLR is to provide timely articles on emerging developments in fields of science, intellectual property, and technology-related law that are of interest to attorneys, policymakers, judges, and the academic community. The articles published in the STLR are selected from submissions received from professors, students, and attorneys nationwide.
